4.0 ADMISSION POLICY

4.1 The Learning Tree Day School, Inc does not discriminate in their admission policies, operations or hiring practices on the basis of race, ethnicity, creed, religion, sex, color, national origin, or disability.

4.2 Any child attending the Center must be registered properly before admittance, with the completed online registration, supporting registration documentation, required health records, enrollment fee and first week of tuition paid.

4.3 A waiting list may be maintained and children will be accepted from the list on a first-come-first-served basis.

5.0 ENROLLMENT PROCESS

5.1 In order to enroll a child in our Center, the parent or guardian must complete the required online enrollment including all contact information, emergency information, photos, and authorized escorts over the age of 18 (unless the biological mother/father is under the age of 18).

5.2 If your online registration (enrollment information) is submitted with missing information and/or missing photos, the registration will be rejected and deleted from the system. As a result, you will not be able to check in or out your child. You will be notified via email that your online registration was incomplete and you will need to re-register online and include all pertinent info and photos.

5.3 Photos submitted with the registration should be head shots clearly depicting the individual's face. Your registration could also be rejected if the photos are not suitable in clearly identifying the individual. Also, the center reserves the right to later change a photo (or request a photo change) if the photo doesn't provide a good depiction of the individual.

5.4 Please inform the individuals that will be picking-up your child/children that they must present picture identification upon their initial arrival for security purposes. If identification is not presented, the student will not be released to that individual.

5.5 A non-refundable re-occurring annual enrollment fee of \$65 must be paid at the time of enrollment. If the student dis-enrolls for 2 or more days and later returns, a re-enrollment fee of \$65 will be required, provided there is an available seat (spot/slot) in the specific program.

5.6 The enrollment fee must be paid every year. The enrollment fee covers the administrative and enrollment costs related to the individual student.

5.7 Prior to the child's first day of attendance, all information must be completed and returned with any other necessary medical or verification forms (i.e., immunization records, birth certificate, etc)

5.8 If your child is enrolled in the regular private program (except GA Pre-k), you will also need to pay book and supply fees. The supply fee helps cover the classroom materials used by the individual student.

5.9 If the student has been enrolled longer than 6 months by August, the student will need to pay a re-enrollment fee for the up-and-coming school year.

5.10 As the information in these forms (and online) contains personal information, *confidentiality is guaranteed.*

- 5.11 Confidentiality applies to all verbal and written information about potential, enrolling and previously enrolled children and their families. All staff will be briefed on the need for confidentiality and will be expected to fulfill their obligation to respect the protection of privacy. Written records will be stored in a secure location with access limited to the director and the child’s teacher.
- 5.12 No information will be released about a child and the parent/legal guardian during enrollment or transition to another receiving program or school without first receiving the written permission of the parent/guardian. This excludes the responsibility held by early childhood educators as mandated reporters of suspected child abuse and neglect as outlined in Georgia law or when information is subpoenaed by the court.

6.0 PROGRAMS AND SERVICES OFFERED

- 6.1 The Learning Tree is licensed by the appropriate agencies that oversee licensure of childcare facilities in Georgia.
- 6.2 We offer childcare programs for children from 12 months of age through 12 years of age (including the GA Pre-K program). Our full time programs include a nutritionally balanced breakfast, lunch and snack.
- 6.3 The daily schedule includes a blend of activities and learning sessions appropriate for the age group; the daily schedule also includes a rest period (nap time).
- 6.4 It is the goal of The Learning Tree Day School to use developmentally appropriate practices and to consider the unique needs of all children when planning.
- 6.5 The Learning Tree Day School is willing to work with special educators and other professionals to integrate individual accommodations, modifications and strategies into classroom routines and activities.
- 6.6 The Learning Tree Day School is willing to collaboratively work with outside therapists and professionals that work with children with disabilities or other special needs. Strategies will be determined that best balance the special collaboration and the usual and expected education activities
- 6.7 Although The Learning Tree is not a Christian school, we do utilize the Christian-based A-Beka curriculum for certain age groups.
- 6.8 Training and support is provided to ensure that all staff are comfortable, confident and competent to meet the developmental and educational needs of all children. All staff receive an orientation on inclusion policies and attend training focused on effective inclusion and/or other disability topics whenever possible. Management provides additional support and resources as appropriate.
- 6.9 Parents are permitted access to the Center at any time the child is present, but we ask that parents be considerate of activities in process.

7.0 GA PRE-K POLICIES

- 7.1 Go to the following website in downloading a copy of the GA Pre-K Family Handbook: <http://www.decal.state.ga.us/Documents/PreK/FamilyHandbookContent.doc>.
- 7.2 The table below lists the locations, teachers, class times, drop off times and pick up times for each GA Pre-K class.

Id	Location	Teachers	Class Time	Drop Off + Grace Period	Pick Up + Grace Period

GA Pre-K 5	Fayette	Ms. Davis/Ms. Jones	7:30am-2pm	7:10am-7:30am	2pm-2:20pm

- 7.3 The Learning Tree Day School encourages GA Pre-K parents to drop-off and pick-up their child during the times listed in the table above. Additional staff and resources are required to manage GA Pre-K students that are dropped off early or picked up late. As a courtesy to our GA Pre-K parents, a 20-minute grace period is being provided in picking up and dropping off.
- 7.4 Given the GA Pre-K student is NOT enrolled in either the Before-and-After-School program or After-School program, if the parent is late picking up the child, a daily charge of \$20 will be issued and must be paid at pickup time (or no later than 6:30pm the same day). With the daily charge of \$20, the parent will have until 6:30pm to pick up their GA Pre-K child. The charge can be paid online via MyProcure.com. The

- child will not be able to attend the program the next day until the late-pickup fee is paid. This late pick up fee is called the GA Pre-K Late Pick-up fee.
- 7.5 Given the GA Pre-K student is NOT enrolled in either the Before-and-After-School program or After-School program, if the parent drops off the child early, a daily charge of \$20 will be issued and must be paid at pickup time (or no later than 6:30pm the same day). With the daily charge of \$20, the parent will be able to drop off as early as 6:30am. The charge can be paid online via MyProcure.com. The child will not be able to attend the program the next day until the early drop-off fee is paid. This early drop off fee is called the GA Pre-K Early Drop-off fee.
- 7.6 A 20-minute grace period is provided prior to the early-drop-off and late-pick-up fee incurring.
- 7.7 The late pick-up time for GA Pre-K 1/2/3/4/5 starts at 2:51pm/3:21pm/2:21pm/2:51pm/2:21pm to 6:30pm. The early drop-off time for GA Pre-K 1/2/3/4/5 starts at 6:30am to 7:39am/8:09am/7:09am/7:39am/7:09am.
- 7.8 Children who do not attend on a regular basis, or routinely late, or routinely leave the program early, may be dis-enrolled (mandated by the State of Georgia)
- 7.9 In addition, children who are late, leave early, or are absent for ten consecutive days without a medical or other reasonable explanation **must** be dis-enrolled from the program (mandated by the State of Georgia).
- 7.10 The State of Georgia and The Learning Tree Day School expect the child to be out (not attending) during teacher planning days, holidays and breaks. See section 3.0 for scheduled teacher planning days, holidays and breaks.
- 7.11 If the GA Pre-K parent needs services during the scheduled teacher planning days, holidays or breaks, the following rates are used for GA Pre-K students: **\$25/day** (School Closing Daily Rate) or **\$125/week** (GA Pre-K Weekly Drop-In fee). If the student is in the After-School or Before-and-After-School program, the weekly rate is **\$80/week**.

8.1 TUITION AND FEES

8.2 Tuition and fees as of **August 2018** are:

Description	Fee
1-Year-Old Tuition	\$155/week
2-Year-Old Tuition	\$140/week
3-Year-Old Tuition	\$130/week
Private Pre-K Tuition	\$125/week
GA Pre-K Tuition	N/A (Free for 6.5 hours/day)
After-School Tuition	\$80/week
Before-and-After School Tuition	\$80/week
After-School Full Day Rate	\$9/day with After-School fee
(Re)Enrollment Fee	\$65
Late Pickup Charge (after 6:30pm)	\$15 first minute + \$1/minute
No Check-In/Out Charge (Procure)	\$5 per incident
Late Payment/Remaining Balance Fee	10% or \$5, whichever greater
GA Pre-K Early-Drop-off/Late-Pick-up	\$20/day
GA Pre-K Full Day Drop In Rate	\$25/day
GA Pre-K Weekly Drop In Rate	\$125/week
Copy of Center Records	\$5 per student

- 8.3 Tuition and fees are due and payable in full by 6:30pm on the FRIDAY of the week prior to service being rendered. Tuition can be paid in cash or money order, at the check-in PC or online (via MyProcure.com). The Learning Tree Day School does not accept checks.
- 8.4 The parents' tuition secures the child's seat (spot or slot) in the program. Even if your child is not in attendance, expenses still incur (ie. Teacher salaries, electric, water, insurance, etc.). The Learning Tree Day School is not a baby-sitting business where the amount of tuition charged is based on the amount of time the child is in attendance. Like any other private education institution, the tuition charged secures the child's seat in the program. Parents control at what rate the child attends the program.
- 8.5 Parents must pay tuition weekly, even if the child is not in attendance for the up-and-coming week (the reason being 8.4). If all of the tuition owed isn't paid on Fridays by 6:30pm or if the balance is not zero, a 10% or \$5 late fee, whichever is greater, will incur daily until the tuition is paid and the balance is zero. If the balance is not zero by Tuesday, starting Wednesday, your child cannot attend the center until the complete balance is paid.

- 8.6 **EXAMPLE 1:** *Given a parent has a \$100 balance on Friday and doesn't pay until Wednesday morning of the next week, the total late fee will be calculated as follows: Saturday (10% of \$100) = \$10, Sunday (10% of \$110) = \$11, Monday (10% of \$121) = \$12.10 and Tuesday (10% of \$133.10) = \$13.31. A total of \$46.41 of late fees will be added by Wednesday morning.*
- 8.7 **EXAMPLE 2:** *Given a parent has a \$20 balance on Friday and doesn't pay until Wednesday morning of the next week, the total late fee will be calculated as follows: Saturday (since \$5 is greater than 10% of \$20) = \$5, Sunday (since \$5 is greater than 10% of \$25) = \$5, Monday (since \$5 is greater than 10% of \$30) = \$5 and Tuesday (since \$5 is greater than 10% of \$35) = \$5. A total of \$20 of late fees will be added by Wednesday morning.*
- 8.8 If your child is not in attendance for 3 or more days due to an unpaid balance, your child will be considered dis-enrolled and as a result, you will need to pay an enrollment fee to re-enroll your child.
- 8.9 Item 8.5 includes times when the child is out for vacations. A 1-week vacation is earned after every 1-year of non-interrupted patronage.
- 8.10 Item 8.5 includes times when the child is out for sick days/weeks.
- 8.11 Item 8.5 includes times when the child is out for holidays.
- 8.12 The Learning Tree doesn't give change. Instead, a credit is placed on your account.
- 8.13 Cash payments should be placed in an envelope, sealed with the dollar amount and parent's name students' name and placed in the tuition drop box.
- 8.14 Parents will be able to view their payment history via MyProcure.com. It will take up 24 hours for any cash payment to be recorded and viewed via MyProcure.com.
- 8.15 We cannot be responsible for any reimbursement without a proof-of-payment.
- 8.16 **THERE IS NO DISCOUNT IN TUITION FOR ABSENCES, HOLIDAYS OR CLOSINGS.**
- 8.17 Children enrolled for one consecutive and uninterrupted year is entitled to one free week vacation.
- 8.18 Children cannot be present during their vacation week and the week cannot be broken up into days.
- 8.19 When tuition is paid after the due date, the account will be charged a late fee of 10% or \$5 on the balance (whichever is greater). The late fee will be charged daily until the full balance is paid. If the full balance isn't paid by Tuesday, the child will not be able to attend starting Wednesday. The child cannot return until the full balance is paid.
- 8.20 If the child is out for 3 or more days due to an unpaid balance, the center will consider the child dis-enrolled. The center cannot afford to hold a seat for a child absence due to an unpaid balance. After 3 days of absences, if the parents want the child to return and if a seat is available in the specific program, the parent will have to pay an enrollment fee in re-enrolling their child.
- 8.21 Again, weekly tuition payments are due on Fridays by 6:30pm. If the full balance isn't paid by the following Tuesday, services will not be rendered starting Wednesday. As long as the balance is not paid in full, a late fee will be charged on Saturday, Sunday, Monday and Tuesday. The parent has flexibility and convenience in making payments online via MyProcure.com (24 hours per day).
- 8.22 In good faith, per account, the center will waive the initial late payment fee.
- 8.23 Because the center is a "for profit" organization, please understand that criminal charges can be brought against you if your child care fees are not brought to a zero balance before departure.
- 8.24 Also, the parent is responsible for giving the center a one-week notice before dis-enrolling the child from the center - if the one-week notice is not made prior to dis-enrollment, the parent will be responsible for one week of tuition payment.
- 8.25 If a child is withdrawn from the center by the parent before the end of the week, the **daily rate** will be charged for each day the child was in attendance. The remaining balance will be mailed to the parent within one week of the withdrawal. It will be the parents' responsibility in making sure the center has the current mailing address on file.
- 8.26 If the child is suspended from the center by the center, the **weekly tuition rate will be prorated** (rate/5-days) and the remaining balance will be mailed to the parent within one week of the suspension. It will be the parents' responsibility in making sure the center has the current mailing address on file.
- 8.27 A NON-REFUNDABLE ENROLLMENT FEE OF \$65 must be paid at the time of enrollment.
- 8.28 **The RE-ENROLLMENT, SUPPLY and BOOK FEES are charged annually during the Center's enrollment season in August** (or when a new child starts).
- 8.29 The supply and book fees are treated similar to a tax and are used toward the cost of student materials, teacher materials, teacher books, student books, supporting book materials, software for the computers,

Internet monthly charges, and etc. Also the funds are used towards computer depreciation (i.e., new computers must be purchased every 3 to 4 years). Like a tax, although we pay our taxes to use federal, state and county roads, we don't actually own the roads. Supply and book fees are non-refundable. Supplies, books, computers and all associated materials are considered The Learning Tree's property. Students are not allowed to take home books, supplies or any materials.

- 8.30 The Center operates from 6:30am to promptly 6:30pm. A **LATE PICKUP FEE** is charged when the child is left after our designated closing time of 6:30 pm. The late pickup fee will be calculated as follows: \$15 will be charged for the first minute and \$1.00 for each additional minute. Late pickup fees are posted at the front desks.
- 8.31 The late pickup fee is due at pickup time (or by 6:30pm the same day).
- 8.32 Also, if the parent is running late and if the Center has **NOT** been contacted by **7:00pm**, The Learning Tree Day School will consider your child abandoned. The Learning Tree will then contact the Department of Family and Child Services (DFACS) regarding the abandoned child and they will send the local authorities out to pick your child up. Please understand how this situation places the center. The safety of the child must come first. Also, the center's insurance policy insures the center during business hours (6:30am to 6:30pm).
- 8.33 The parent is responsible for paying the entire week's tuition during the weeks when the center is closed for holidays. Like most commercial business, The Learning Tree pays full-time employees for holidays and expenses are still being incurred when the center is closed (ie. electric, insurance, mortgage, etc.).
- 8.34 Item 8.33 is typically a major problem for the center during Thanksgiving and Christmas holidays. Again, the center expects full tuition payments on time during weeks when the center is closed for holidays in maintaining your child's space in the program.
- 8.35 Item 8.33 is typically a problem during the summer months as well. Again, the center expects full tuition payments on time during summer weeks in maintaining your child's space in the program.
- 8.36 If a child is temporarily withdrawn from the center for any reason (ie. in skipping tuition payments during holiday weeks or summer weeks), the center will consider your child dis-enrolled and his or her seat in the program will be released for some other student to enroll. If you want to later re-enroll and the space is available, the enrollment, supply and book fees must be paid before the child is **re-enrolled** in the program. Please keep in mind that The Learning Tree Day School typically has a waiting list of students for most classrooms.
- 8.37 Tuition rates and fees are subject to change due to various issues and circumstances. Please refer to the tuition rates posted on www.tltds.com for current tuition rates and fees.
- 8.38 The after-school daily rate is a rate for existing parents needing only 1 or 2 days after-school service per week. The Learning Tree Day School does not offer a daily drop-in service for students not enrolled.
- 8.39 The parents needing the daily service are expected to pay tuition every Friday and all rules that apply to the other tuition rates also apply to the daily rate customers.
- 8.40 Daily rate customers are expected to pay tuition for the up-and-coming week even if the child will not be in attendance for the up and coming week. Although the child is on a daily rate (versus weekly rate), the child is still consuming a spot (or seat) in the program from the State of Georgia perspective.
- 8.41 The tuition payments CAN be separated between parents (ie. Father pays 50% and Mother pays 50%). If the tuition payments are separated, all rules that apply to the regular tuition payments will apply.
- 8.42 Parents who receive CAPS are responsible for keeping certificates current. If the center does not receive a renewed certificate by the end date, your child spot will not be held.

9.0 TRANSPORTATION & FIELD TRIPS

- 9.1 Transportation is provided for before and after-school pickups. Transportation is also provided for all field trips.
- 9.2 Car seats are required for children under 80lbs, also under 4'9 when being transported by The Learning Tree Day School.
- 9.3 The Learning Tree cannot store car seats or booster seats due to the lack of storage space – the seats could be a fire safety obstacle.
- 9.4 Children cannot participate in field trips or extra-curricular activities if any monies are owed to the center by the time of the trip.
- 9.5 Children will not be able to attend field trips if the parent doesn't sign a field trip permission form.
- 9.6 For safety and identification reasons, students are required to wear a uniform shirt during a field trip.

- 9.7 During the day of the field trip, if a student has been permitted to attend the field trip by their parents but is not wearing a uniform shirt, a uniform shirt will be provided by the center if available and charged to the parents' account. If a uniform shirt isn't available, the student will not be able to attend the field trip and any funds contributed to the field trip by the parent will not be refunded. In most cases, field trips are funded in groups versus individually. The purpose of this handbook entry is to make parents aware of this uniform shirt requirement for field trips in advance.

10.0 BREAKFAST/LUNCH

- 10.1 Breakfast will be served up until 8:30am every day.
- 10.2 Like most commercial daycare centers, The Learning Tree has a definite cut-off time in serving breakfast to allow the cook time to clean up and prepare for lunch.
- 10.3 As stated earlier, breakfast is served until 8:30am; after 8:30am, it is the parents' responsibility to make sure their child has had something to eat.
- 10.4 Please do not bring food into the Center for the child to eat. It is a distraction to the other children and disrupts the centers' program.
- 10.5 If your child has any allergies to food, please make sure it is documented in the child's enrollment information and bring it to the attention of the Director, Manager and Teacher along with a completed Physician's form.
- 10.6 If your child isn't eating a particular served meal because he or she simply doesn't like the particular meal, like most daycare centers, we can't make a meal substitution and we don't allow outside food (except for 10.5). The center making meal substitutions for every child not liking a particular meal or managing numerous meals being brought in from the outside, will be very problematic for the teachers, cook and center.
- 10.7 The Learning Tree Day School has a definite cut-off time in preparing and serving lunch to allow the cook time in cleaning up and preparing for the next work day.
- 10.8 Lunch preparation will be based on the number of children physically in attendance at the Center at 9:45am. A head count will be conducted at 9:45am for lunch. Your child will be served lunch if he or she is in attendance by 9:45am.
- 10.9 Parents cannot call in a request for breakfast to be set aside for their child when running late (or after the breakfast cut off time).

11.0 PARENT RESPONSIBILITIES

- 11.1 Parents' responsibilities include keeping the Center informed of any applicable changes in enrollment information or the child's residence and/or guardianship.
- 11.2 PARENTS ARE REQUIRED TO SIGN IN AND OUT THEIR CHILDREN ON A DAILY BASIS AND ESCORT THEIR CHILDREN IN AND OUT OF THE BUILDING.
- 11.3 Parents please make sure you comply with signing-in and signing-out daily. These records are kept and required for attendance verification, security purposes, insurance purposes, and Bright-from-the-Start and Georgia Child and Parent Services requirements. If you do not check your child/children in and out daily, there will be a \$5 charge per child per incident.
- 11.4 Parents and escorts are responsible for properly checking in and out their child. If the child is not fully and properly checked out (or in), a \$5 charge will be levied against the account. Parents must understand that any escort authorized by the parent to pickup and drop-off will assume any \$5 charges levied by the escort. Parents and escorts need to remember to hit "finish" in completing the check-in or check-out.
- 11.5 We will not release the children to any unauthorized escorts; identification will be required from unfamiliar escorts. The photo provided in Procure must match the escort in order for the children to be released. ALL ESCORTS MUST BE ADULTS (18-years-of-age or older – unless it is the parent). The parent must authorize unfamiliar escorts in writing if the escort is not already listed in Procure. If the escort is listed in Procure without a photo, the children will not be released due to the fact the escort cannot be visually verified. It is the responsibly of the parent to provide legible photos of all escorts listed in their Procure account.
- 11.6 Parents are required to give a one-week notice before withdrawing their child. If not, the parent will be responsible for paying one week of tuition.

- 11.7 Parents are not allowed to take the student from the Center and return the student to the Center during the day (unless for emergencies and medical appointments). For medical appointments or emergencies, the child must be back to the Center no later than 1:00pm with a medical excuse in hand. Either case could be disruptive to the school schedule and confusing to the child.
- 11.8 **Parents are required to dress their child in the center uniform, Mondays through Thursdays.** The center uniform consists of The Learning Tree Day School's green embroidered Polo shirt and Khaki bottoms.
- 11.8.1 Parents are required to purchase at least two uniform shirts, but are encouraged to purchase four uniform shirts, one for each day.
- 11.8.2 Wearing uniforms is very beneficial. Besides preparing your child to wear elementary school uniforms, studies have shown that school uniforms reduce distractions, improve school spirit, help prevent bullying, streamline morning routines, lower clothing costs, and encourage other ways to express oneself.
- 11.9 Parents are required to keep the Center supplied with a change of clothes and other required supplies as requested by the child's teacher. Toddler parents must keep the Center supplied with diapers, pull-ups and wipes.
- 11.10 Parents should provide the child with washable, comfortable clothing appropriate for outdoor play.
- 11.11 Parents must remember to send coats or jackets as the weather requires. Please label all coats, jackets, extra clothes, and etc. with the child's name. The Center will not be responsible for lost or stolen clothes – this is due to the large number of students and false claims made throughout the year.
- 11.12 Except for show-and-tell, children are not permitted to bring any favorite items from home (ie. toys, dolls, etc.); items can get lost or stolen. The Center will not be responsible for lost or stolen items.
- 11.13 If you put jewelry on your child, The Learning Tree will not be responsible for lost or stolen jewelry.
- 11.14 Parents are asked to synchronize their watches and clocks with the Center's official atomic digital clock. The official atomic digital clocks are located on the front desks.
- 11.15 The Center will not allow car seats to be stored in the Center throughout the day due to potential fire exit obstacles.
- 11.16 Make sure your child is in attendance in the Center by no later than 9:30 am. A child arriving late can: (1) disrupt learning activities, (2) wake other children and (3) put your child in a disposition of being around other children eating (or preparing to eat).
- 11.17 The Learning Tree Day School asks PARENTS to keep the relationship between themselves and the staff on a business level (and not on a personal level). Personal relationships could cause a conflict-of-interest between the parent and the center. Please do not exchange telephone numbers and addresses with staff. The Learning Tree Day School requests the same from staff.
- 11.18 Parents are not to park at the front door or either in the manager's or director's parking space. This could be a safety issue for people leaving from and coming into the building. If you park at the front door or either in the manager's and director's parking spaces, you will be asked to move your vehicle
- 11.19 Any phone calls needing to be made to a teacher should be made through management in avoiding any mis-communication problems (this also applies to teachers needing to call a parent).
- 11.20 Parents please **DO NOT SOLICIT** center employees to baby sit your child or children after hours (or during the weekends) – it is a violation to the Center's employee rules and will cause the employee to lose their job.
- 11.21 Parents please **DO NOT ENGAGE A CONVERSATION** with teachers over **5 minutes** unless you have arranged a scheduled conference meeting with the teacher. A lengthy conversation with a teacher could distract the teacher from doing her job and being attentive to the children – numerous lengthy conversations with parents could lead to an employee losing their job. The Center puts the welfare of the children first.
- 11.22 If a parent encounters some type of computer glitch or problem while using a TLTDS computer to check in/out or make a payment, it will be the responsibility of the parent to (1) make the director or manager aware immediately and/or (2) send an email to admin@tltds.com regarding the issue. Not properly checking in or out, or a delayed payment, could cause a fee to be generated and placed on the parent's account. The parent making the center aware at the time of the occurrence will be fair and reasonable. The parent reacting a day or more later, after the fee has been levied is not reasonable.

We aim to make each transition throughout the center up into kindergarten as positive and smooth as possible.

If possible TLTDS will find out if tours of the school are available for preschool children and families and will schedule a visit to schools. **Discussions with children-** We help our children to explore positive ideas about school by positive discussions in circle times, introducing ‘school’ role-play materials during the summer term, reading stories about starting school, listening and responding to the children and their thoughts. **Communication-** We inform families on what is expected for the registration to Kindergarten process. Make sure all children’s records are up to date for Kindergarten entry.
